

Time /Location

Guests are very welcome!

Wednesday: 08:15 – 09:45, Location: W37 0-002 (Campus Wechloy)

Date	Speaker	Topic
24.10.2023	Steffen Busse	„Requirements analysis for a patient education app for colon cancer treatment“
07.11.2023	Marie Koop	„Braking the scale barrier: Establishment of Mammalian Large Scale Protein Production and Purification of mPRG3, 4 and 5“
14.11.2023	Maryam Kheyrollah	„Role of Lysophosphatidic Acid on Corneal Nerve Regeneration“
21.11.2023	Dr. Stella Shtukmaster	„to be announced“
28.11.2023	Dr. Vivien Meyer	„to be announced“
05.12.2023	Sönke Sevecke	„What role does PRG5 play in zinc transport?“
19.12.2023	Marie-Céline Willier	„Exploring the effects of C-terminal domain swapping using FLIM-FRET: Re-cloning and functional validation of C-terminally swapped PRG3, 4 and 5 constructs“
09.01.2024	Franziska Köper	„The physiological and pathophysiological role of PRG5 at membrane curvatures“
16.01.2024	Danara Vonk	„PRG5 signaling and protein quality control“
23.01.2024	Leonard Schwigon	„to be announced“
06.02.2024	Dr. Jens Hausmann	„New insights into ATX-LPA signaling research“
13.02.2024	Supreet Arabi	„to be announced“
20.02.2024	Malte Wiard Dirksen	„to be announced“
27.02.2024	Sepideh Abroon	„to be announced“
